FFL89 Super Bowl rules – 2016

Players and Lineups/Roster: The players used will be from the teams playing in the playoffs from the Wild Card game to the Super Bowl. Most total points will determine the winners, the first three teams by total points scored will be paid out. Weekly lineups, 11 players total, will consist of: 1 QB, 2 RB's, 3 WR's, 1 TE, 1 K, 1 Def, 1 ST and 1 flex player (RB,WR or TE). Defense and Special teams can be split. You must start 11 players each week. All week 18 starting players must be playing in week 18 of the playoff games. No player dollar values will be used as in Fan Duel or double points for players in a lineup for consecutive weeks as in the NFL. Also no set amount of lineup changes as with CBS.

Lineups due by and how to submit: Lineups will be submitted on the FFL89 site (Super Bowl page). They can also be submitted to the SB Coordinator by email or text message. The lineup form should be the first choice. The lineup form can be sent by computer or cell phone. Once the lineup form is submitted, you will receive a confirmation from IPage & FFL89 that it was successfully sent. Changes can be made anytime before the 1 hour limit. The latest legal lineup, time stamped, will be used if more than 1 is submitted. (per the IPage time stamp). Lineups will be shown as received on the web site, FFL89 page (FFL89 Home page). Lineups are due 1 hour before the first game of the week. Each week a lineup should be submitted. If one is not, the previous lineup will be used and count towards the point total. Late or no lineup in week 1 will score zero points. No changes can be made after the 1 hour game time rule. Incorrect lineups will score 0 points.

Lineup penalties: We will no longer use the **-20** point penalty. for rosters other than week 1, if late or no lineup, will score zero points, and late weeks 2 - 4 the previous lineup used. If no week 1 lineup, your team will again score 0 points.

Scoring and standings: Will be posted in the Super Bowl site on FFL89.com. The site will have lineups, player scoring and standings. All weeks, 18-21 will be on the site.

Point Protest: Any protest or questions should be submitted before the following Tuesday, by 12pm. After this time they will become official and can not be changes without league approval. (rules committee). Point scoring will be based on the regular season setup. Money will be paid out as listed (top 3 teams), in the rule book and the top point total team will receive a Super Bowl trophy.

Super Bowl Coordinator: Will be a member of the officers, elected the same as the rest of the officers. Handle all the Super Bowl rosters, scoring and post scores on the internet. The coordinator will be in charge of imposing any penalties. (no lineup, incorrect or late lineup). Week 1, Will score 0 points. Week 2-4 previous lineup or incorrect or late lineup, 0 points
