Super Bowl Rules

FFL89 Super Bowl rules. starting in 2015 season / **2019 Super Bowl**

Lineup note: A submitted lineup can not be viewed by other owners until after the kickoff of the first game of the week.

League ID for 2018 Super Bowl: How to find league ID ? <http://www55.myfantasyleague.com/2018/home/>

Players and Lineups/Roster: The players used will be from the teams playing in the playoffs from the Wild Card game to the Super Bowl. Most total points will determine the winners, the first three teams by total points scored will be paid out. Weekly lineups, 11 players total, will consist of: 1 QB, 2 RB's, 3 WR's, 1 TE, 1 K, 1 Def, 1 ST and 1 flex player (RB,WR or TE). Defense and Special teams can be split. You must start 11 players each week. All week 18 starting players should be playing in week 18 of the playoff games. No player dollar values will be used as in Fan Duel or double points for players in a lineup for consecutive weeks as in the NFL. Also no set amount of lineup changes as with CBS. A lineup is good for the week. Once the first game roster deadline passes, no changes can be made until the following week. This will be close to the daily games only it's weekly in our league.

Lineups due by and how to submit: Lineups will be submitted on the FFL89 site (Super Bowl page). They can also be submitted to the SB Coordinator by email, text message or on MyFantasyLeague.com The lineup form or MFL (owner input) should be the first choices. The lineup form can be sent by computer or cell phone. Once the lineup form is submitted, you will receive a confirmation from IPage & FFL89 that it was successfully sent. Changes can be made anytime before the 1 hour limit. The latest legal lineup, time stamped, will be used if more than 1 is submitted. (per the IPage time stamp). Lineups will be shown as received on the web site, FFL89 page (FFL89 Home page). Lineups are due 1 hour before the first game of the week. No changes after the deadline for that week. Each week a lineup should be submitted. If one is not, the previous lineup will be used and count towards the point total. Late or no lineup in week 1 will score zero points. No changes can be made after the 1 hour game time rule. Incorrect lineups will score 0 points. The league can not override the lineup deadline rule.

Lineup penalties: We will no longer use the -20 point penalty. for rosters other than week 1, if late or no lineup, will score zero points, and late weeks 2 - 4 the previous lineup used. If no week 1 lineup, your team will again score 0 points.

Scoring and standings: Scoring will be the same as the regular season. Stats will be posted in the Super Bowl site on MFL site and FFL89.com. The site will have lineups, player scoring and standings. All weeks, 18-21 will be on the sites. Point totals will become official Thursday, 12pm

Point Protest: Any protest or questions should be submitted before the following Thursday, by 12pm. After this time they will become official and can not be changed without league approval. (rules committee). Point scoring will be based on the regular season setup. Money will be paid out as listed (top 3 teams), in the rule book and the top point total team will receive a Super Bowl trophy.

Super Bowl Coordinator: Will be a member of the officers, elected the same as the rest of the officers. Handle all the Super Bowl setup on MFL site for, rosters, scoring and post scores on the internet. The coordinator will be in charge of imposing any penalties. (no lineup, incorrect or late lineup). Week 1, Will score 0 points. Week 2-4 will use the previous lineup. If lineups are incorrect or late lineup, 0 points again

Another Season is over

Another season has gone by and all to fast. We started the season with the 4th rookie draft and the food was catered by Papa Dog. At the season draft we had Nonno's Pizza. Then we waited for the season to begin with week 1. Now, here we are starting Super Bowl XXIX.

The season went as smooth as possible with only a few minor problems that were handled. Some may be disappointed with their season and others call it a success.

But, all teams are now saying, Wait until next year and make the changes they think they need to to have a better season.

Once again, I need to say a big thanks to Brian S, Mark S and Rick, owners who have been in the league from the beginning. That warm night on the porch in Elmhurst. Also all the owners who have been in the league from 2 to 22 years. This league is today, because of you.

Rick
